TRANSFORMATIONAL EVALUATION FOR THE GLOBAL CRISES OF OUR TIMES

Editors: Rob D. van den Berg, Cristina Magro and Marie-Hélène Adrien

Panel Composition

Moderator: Ada Ocampo, President of IDEAS

Panel members:

Kenza Benanni, engaged in several national/regional YEE networks and IDEAS Board member. Evaluation Consultant with Universalía Management Group, specializing in gender equality and inclusion. Formerly Evaluation Manager with the French Ministry of Foreign Affairs, Directorate General for International Development. With a multifaceted academic background, she holds graduate degrees in political science, sustainable development geography and business administration.

Urmilla Bob, Professor in the Discipline of Geography, School of Agriculture, Earth and Environmental Sciences at the University of KwaZulu-Natal, Durban, South Africa. She conducts research on a range of developmental and environmental issues, including socio-economic impact assessments of developmental projects in relation to conservation and ecotourism projects as well as sustainable livelihoods in both rural and urban contexts. She is currently involved in projects on climate change, solar energy implementation, Change Fellowship Programme.

Adeline Sibanda, founder and Director of ADESIM Developments. Experienced in strategy, programme design, planning, M&E, with a focus on gender-responsive and human rights-based evaluations. Works throughout Africa and beyond with civil society organizations, community-based organizations, governments, donors and development agents. Adeline has been raising awareness and advocating for the Made In Africa Evaluation, and the South-South Cooperation in Evaluation, an initiative of five regional evaluation associations from the Global South. BSc honours degree in politics and administration and master's in public administration .

Juha Uitto, Director of the GEF IEO. Full-time evaluator for longer than two decades with the GEF and the UNDP, conducting and managing many evaluations at the global, regional and national levels, in particular at the nexus of development and the environment. Coordinator of environmental and sustainable development research and training programmes with the United Nations University during the 1990s. PhD in social and economic geography from the Universities of Helsinki and Lund.

Rob D. van den Berg, Former President of IDEAS, Visiting Professor of King's College, London, and honorary associate of the Institute of Development Studies in Brighton. Member of the Advisory Council of Wilton Park in the United Kingdom and of the Advisory Panel for the IFAD. Member of the Advisory Group on Evaluation and Learning of the CIF and the Steering Committee of the Transformational Change Learning Partnership. His career took him from the Dutch Ministry of Foreign Affairs to the World Bank, as the Director of the GEF IEO.
